Vision Abridgement

Our vision is to be a global trusted leader in transport, positively impact communities, delivering comprehensive logistics solutions by cutting-edge technology, innovation, and continuous improvement. ZAT's traits are sustainability, support partner's growth, social responsibility to provide seamless, eco-friendly, and cost-effective transportation for longtime partnerships with our prestigious clients.

Manifestos

“Zaheer Afzal Transport L.L.C”, is committed to optimize supply chain operational excellence for ensuring timely delivery of goods across local, regional, and international markets with client's satisfaction. Through our dedicated team, advanced technology, and industry expertise, we aim to foster long-lasting partnerships and contribute to the growth and prosperity of our clients, employees, and stakeholders.

Chief Executive Officer's Reflections

As we embark on another year of growth and opportunity, I wanted to take a moment to share my thoughts and vision for our transport company. First and foremost, I want to express my gratitude to every team member for their relentless efforts, hard work, dedication, and unwavering commitment which propelled us to where we are today - a respected player in the transport industry.

As the CEO of this company, my role is not just to steer the ship, but to inspire and lead by example in adapting market changes, providing exceptional service to our valued clients. Tailor solutions for unique needs and challenges build us strong and lasting relationships but also position ourselves as a trusted partner in their journey towards success. By harnessing the power of technology, we can optimize our processes, increase efficiency, and drive growth.

Lastly, I want to emphasize the importance of teamwork and collaboration in an environment of open communication, mutual respect, to support one another as a cohesive unit, we can overcome any challenge and seize every opportunity that comes our way. The road ahead may have its twists and turns, but with our shared vision, dedication, and determination, I am confident that we will emerge stronger and more successful than ever before. Together, let us create a future filled with endless possibilities.

Warm Regards,
Mr. Zaheer Afzal

LAUNCH

Zaheer Afzal Transport is a leading provider of specialized heavy equipment solutions, with 20 years of experience in efficient and reliable transportation services. Our expertise lies in handling out-gauge cargo, setting us apart in the market. Since our establishment in 2017, we have leveraged our industry knowledge and technical proficiency to build a robust and innovative business model. Our focus on cutting-edge technology, optimized processes, and continuous improvement ensures the highest level of efficiency and customer satisfaction. With a comprehensive fleet of heavy and light vehicles, we cater to diverse transportation needs. We specialize in the following heavy equipment varieties:

ZAT FLEET:

40 Feet /12m Flat Bed:

Our 40 feet/12m Flat Bed trailers are specifically designed to accommodate oversized or heavy loads. These trucks provide ample space for secure transportation, ensuring the safe delivery of equipment to their intended destinations.

45 Feet/13.5 m Flat Bed:

Our fleet includes 45-foot/13.5m flatbed trucks that are purpose-built to handle oversized or heavy loads. These trailers offer generous space to securely transport equipment, guaranteeing the safe delivery of goods to their designated destinations.

50 Feet / 15m Flat Bed:

With our 50 feet/15m Flat Bed trucks, we can easily handle larger and bulkier equipment. These trucks offer extended space, allowing for the efficient transportation of oversize or heavy cargo.

All Kinds of Pick-up:

At Zaheer Afzal Transport, we offer a wide range of pick-up trucks, including 3 Ton, 7 Ton, and 10 Ton trucks, which are ideal for transporting smaller and lighter equipment. Our fleet of pick-up trucks provides flexibility and ensures timely delivery for smaller-scale transportation needs. We prioritize technical expertise, reliability, and customer satisfactions for heavy equipment needs in local, GCC, and Middle East regions. Our trucking services encompass various types of cargo, including general cargo, odd dimensional cargo, bulk shipments, and project cargo. With our efficient and reliable transportation solutions, we can deliver your cargo to multiple locations across the UAE, GCC, and the Middle East.
